When we return from summer break we will have assignments due quickly. If you choose not to be creative all summer you will have to work extra hard when we return to school. This assignment will be due Monday Aug 19. It is best to work a little bit at a time throughout the summer. Stay creative, have fun and you will do great.

#### **Assignment:**

2. You must organize and present (from your device Google Drive folder is best) a minimum of 100 photographs you have taken over the summer that document moments you found interesting, your life experiences, a creative experience you had or moments that inspired you. Pay attention to your life this summer. What is happening? Who are you with? How do you feel? Be present in the moment. Enjoy your experiences. FIND EXPERIENCES TO ENJOY!! Take a quick quality photo while you enjoy these moments of life so we can reflect and be inspired later.
