Want a chance to contribute to a lasting legacy that celebrates Mustang life? Step up and join the MFHS Yearbook and Graphic Design program. You will get to create a real product using the equipment and technology the pros use. You will learn Photography, Graphic Design and Adobe Photoshop. Create the content that lives forever in the pages of our annual yearbook. Students completing the Graphics Pathway have the opportunity to earn industry recognized Adobe Professional Certifications.

If you have any questions, or would like additional information, please refer to the MFISD CTE Homepage for the Graphics teacher contact information.
