HORTICULTURE

Do you like playing in the dirt? Do you want to make a living doing it? Come join us in the Horticulture Department at Marble Falls High School. You will be working in one of the finest High School facilities in the state. We have a state-of-the-art 5,600 square foot commercial style greenhouse for your learning experience. Careers include greenhouse plant production, landscaping, interiorscaping and floral design. Students completing the Horticulture Pathway have the opportunity to earn a Texas State Florists Association Certifications. Come and experience what we can offer you in the Horticulture pathway.

If you have any questions, or would like additional information, please refer to the MFISD CTE Homepage for the Horticulture teacher contact information.
