

HOSPITALITY & TOURISM

Are you prepared for a successful life after high school? Do you want to travel? Hospitality & Tourism can be the career path for you. There are numerous careers in this Pathway: resort/hotel management, travel agent, tour guide, all levels and positions in the restaurant/food service industry, camp director, and many more. You will learn important presentation and customer service skills that are the focal point of top-quality hospitality businesses. According to a recent survey of local employers, customer service soft skills are the top reported employment attributes sought out by Burnet County employers. You will also have the opportunity to earn a professional industry standard certification to give you a jump-start in your career as a Hospitality and Tourism professional.
