Today there are over 21 million students of Spanish in the world. Spanish is the second most used language internationally and the third most used on the Internet and in social media. These numbers will be even higher in the future. Knowing a second language is crucial. It is a skill that will benefit students professionally in the work force and personally for their entire lives. Languages Other Than English offered are American Sign Language and Spanish. Success in these classes will give students the opportunity for articulated college credit by taking and passing the college placement exams and the Spanish AP exams. A passing grade on these exams gives more college credits than for any other course! World Languages offer opportunities like no other classes! If you would like additional information, please refer to the specific LOTE Course Descriptions.
