Dear Parent/Guardian:

As you may know, Marble Falls ISD will provide your son/daughter with a Chromebook for the next school year. We are thrilled to provide him/her with this educational experience. This 1 to 1 initiative provides an opportunity to increase engagement for all learners, strengthens student achievement across the curriculum, and helps students gain the technological learning skills they will need to succeed in our global economy.

Information for the Time, Date and Location of the deployment can be found on the District website here: <https://www.marblefallsisd.org/site/Page/191>

In order for your son/daughter to receive a new Chromebook, we ask that parents and students complete the following requirements:

1. Read and review the *Marble Falls ISD 1:1 Mobile Device Handbook* found on the website at this link <https://www.marblefallsisd.org/Page/188>
2. During online registration you will have the ability to electronically sign the consent form stating that both you and your student understand and agree with the guidelines set forth in the Student 1:1 Mobile Device Handbook. Students will receive their Chromebook during the device deployment assuming we have a signed consent form in Skyward when you come to collect the device.
3. Please also review the insurance information found here: <https://www.marblefallsisd.org/site/Page/191>. These devices are covered under a limited manufacturer's warranty for defects. **However, this will not cover accidental damage, vandalism, loss, or theft.** Parents/guardians may purchase optional insurance to cover this through The Worth Avenue Group at the above link. Students are responsible for returning a device deemed in *acceptable working condition* by our Technology Department. We ***Strongly*** encourage you to take advantage of the insurance as the cost of damages to uncovered devices can be as much as \$340 and tend to add up quickly with multiple incidents. However, a small one-time fee of \$20 will cover the device for the entire year, even multiple claims!

**Marble Falls ISD has an unyielding commitment to love every child  
and inspire them to achieve their fullest potential.**
